<b>Conducted On</b>	: 24 February 2024
<b>Venue</b>	: Conference hall
<b>Event Organized By</b>	: 3 <sup>rd</sup> year IEEE members
<b>No of attendees</b>	:181

### Description:

The event "Interaction with Juniors" is a vibrant and engaging event organized by the IEEE Student Branch NBKRIST, aimed at fostering a dynamic exchange between senior and junior members of our esteemed community. Through this event, senior members have the invaluable opportunity to share their wisdom, guidance, and lessons learned from their IEEE journey with their juniors. This interaction provides them with invaluable insights into various aspects. Moreover, "Interaction with Juniors" is not just a one-way street. It also offers juniors a platform to voice their questions, concerns, and aspirations, enabling them to benefit from the collective wisdom and experiences of their senior counterparts. This exchange of ideas and perspectives cultivates a sense of camaraderie and community within the IEEE Student Branch, fostering collaboration and mutual support among its members.

Overall, "Interaction with Junior s" bridging the gap between senior and junior members, this event not only enhances the academic and professional development of individuals but also strengthens the fabric of our vibrant community, empowering each member to reach greater heights and seniors of student branch explain about what an individual can achieve through the IEEE

<b>Event Organized By</b>	: 3 <sup>rd</sup> year IEEE members
<b>No of attendees</b>	:50

### Description:

The "Introduction to IEEE Community" event serves as a foundational platform for individuals seeking to explore the vibrant ecosystem of the Institute of Electrical and Electronics Engineers (IEEE). IEEE stands as a global leader in advancing technology and innovation, bringing together professionals, researchers, and enthusiasts from diverse backgrounds and disciplines.

This event aims to provide participants with a comprehensive understanding of the IEEE community, its structure, and the strategies for effective collaboration through the division of members into specialized teams.

In this event we divide the new members to different teams named as Publicity team, Event and Decor team, Design team, Reporting and Newsletter team, Web master team, Finance team based on the interest of the new members ,as already there are seniors to guide them as team leads.

Finally, we conclude the event by giving insights of our future plans and taking feedback from them.

### **Description:**

The IEEE Student Branch at NBKRIST (N.B.K.R. Institute of Science & Technology) organized a significant event titled "Panel Inauguration." This event marked an important milestone in the chapter's activities and brought together esteemed personalities from academia and industry to share their insights and expertise with the student community. The old panel members handed over the responsibilities to the newly elected panel members. The event emphasized the importance of such initiatives in fostering learning, collaboration, and professional development among students. This was followed by the introduction of the distinguished panel members, each recognized for their contributions to their respective fields.

Overall, the Panel Inauguration event organized by IEEE SB NBKRIST was a resounding success, leaving a lasting impact on the participants and contributing significantly to the professional development and knowledge enhancement of the student community.
